NYP TIMES

Property Marking

Dot peen marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique reference.

The unique reference is then put into the national immobilise property register database.

Marking something like increases the chances that you'll get it back if it's lost or stolen. It also helps us to get convictions as evidence when something is stolen.

It can be marked on everything from steel and aluminium to plastic, so you can mark almost anything, from farming equipment, power tools, to electrical devices, bikes, and equestrian tacks.

If you're interested in getting your property marked contact us and we'll get in touch with you to discuss what property needs marking and how and when we might be able to get it done.

Email: elliot.brown@northyorkshire.police.uk

Stolen Caravan

The Caravan is a Knaus-Sport & Fun in a distinctive blue and green colour.

The Caravan was taken between 20:00 hrs and 08:00hrs on the 16/04/24 into 17/04/24 from a field on Parkgate Lane, Brompton on swale.

Did you see anything suspicious that night?

Or have you caught some footage on CCTV that may assist us in finding those responsible?

Can you please check your CCTV/Ring doorbell's for any footage that might assist us in our enquiries.

If so, please send it to
rachael.aylett@northyorkshire.police.uk
 quoting reference 12240066841

Preventing theft from your doorstep

Here are some things you could do to reduce the risk of doorstep theft:

Track your parcel to ensure you or someone else is at home for the delivery.

Install a video doorbell; this can be connected to your mobile, so you are notified immediately of any delivery, and is easier to install than a full CCTV system

Install a security light

Arrange for your parcel to be delivered to a trusted neighbour, or other family members who will be at home; if you live in a flat, is there a concierge who could accept the parcel for you?

Use an off-site locker service for frequent deliveries, or for expensive items; these parcel boxes are more likely to be in busy, safer locations - such as supermarkets - rather than secluded areas which could be targeted by thieves
