Date 18 February 2025

Dear Resident,

**PROPOSED ROAD WORKS - MELSONBY TO ALDBROUGH ST JOHN ROAD**

This letter is to inform you that North Yorkshire Council, will be undertaking Highway drainage works at a point on the above road just to the north of its junction with the access to 'Crossbury Manor'.

The works are currently programmed to commence on Monday 24 February 2025 for a period of three days and will be carried out with a Temporary Road Closure in place between the hours of 9:00 am and 3:30 pm each day. A map which shows the location of the Closure with a 'No Entry' symbol and the Diversion Route with blue dashes is enclosed for your information.

Advance warning signage advising of the works will be installed on site shortly and whilst the works are in progress a fully signed diversion will be in place. On-site personnel will assist in managing access to any properties within the closure but please be advised there may however be extended periods when access will not be possible due to the nature of the works and physical constraints of the site.

Please note that this work is part of an extensive programme and therefore some adjustment to this start date or the duration of the works may be necessary should unforeseen circumstances such as significant weather events or emergencies on the highway network arise.

To ensure the delivery of these works we would request your assistance in the following ways:

- Please contact the Customer Service Centre on 0300 131 2 131 to identify any special access needs you may have prior to work commencing.
- Please co-operate and comply with any instructions issued by the traffic management operatives and take extra care whilst within the works area.

May I draw your attention to the Councils Corporate Privacy Policy using the following link:

<https://www.northyorks.gov.uk/privacy-notices>. When submitting a response, we will record personal information including your name and address.

For further information, including diversion information and to sign up for alerts please go to;

I would like to take this opportunity to apologise for any disruption that these works may cause and would again request your cooperation to help ensure an efficiently and safely executed project.

Yours faithfully
